

The Heritage Way for Dealers

The Standard Process, From Discovery to Delivery

PLAN PROJECT

- Call or email with objective
- Determine on-site or delivery build
- Customer approves standard pricing
- Begin lead time

2.

- Dealer gets permit approval if necessary
- Order materials
- Lead time adjusted as necessary

3.

Identify delivery date and location

DELIVERY & INSTALLATION

- Confirm scheduled delivery and install
- Conduct quality assurance
- Payment due according to terms
